

A SPECIAL CRAFT

MEDINE BAGS AND CHOCKERS

This craft will be running Saturday in the basement of the “PAN A LODGE”. It will run, from just after opening until about 4 pm.

Please drop in and show us your handy craft work.

We will have a selection of ideas to help think of what you want to do. So, come on down, look around, get that crafty brain working. Once you have thought about it, dig in to the supplies, and get designing!
